# Welcome to the 1st Eurasian Congress in Aesthetic and Anti-Aging Medicine

Dear Colleague,

The **EurAsian Congress** in Aesthetic and Anti-aging medicine (ECAAAsia) has for objective to constitute a meeting of reference, where physicians will obtain the answers they seek, thanks to high level meetings marked by the innovation, the interest of the topics and the quality of the international speakers and of their lectures.

The **EurAsian Congress** intends to become the congress where physicians will have the opportunity to be introduced to the latest techniques and knowledge in Anti-Aging and Aesthetic medicine, and to attend high standard courses in the respective fields of these specialities. It will also propose the diversity of the scientific approach, offering the point of view from different continents.

Moreover, we wish to propose you a very PRACTICAL and INTERACTIVE congress where most presentation will effectively correspond to an application in the daily practice.

The Scientific Committee
